Dear Mr. Belen

I have wanted to speak to you on the telephone regarding the position of (ASG) Executive Secretary, United Nations Convention to Combat Desertification (UNCCD), but remained unable to reach you.

The Interview Panel had a very stimulating conversation with you as they did with other finalists. While the Panel was impressed by your professionalism, knowledge and approach to the work of the United Nations, the choice was a very difficult one, given the obvious talents all the candidates possessed and that the Secretary-General could only select one of them. I regret to inform you that the Secretary-General has decided to select another candidate for the position.

I would like to thank you for your interest in the United Nations and wish you the best in your future endeavors. I remain available to speak with you should you wish to have a further conversation.

With best regards,

Achim Steiner,
Under-Secretary General
Chair of the Panel

Dear Mr. Steiner,
Thank you very much for your message. I was on my way back to Turkey from Boston and my phone was off.

I thank you again and for other distinguished members of panel. It was very exiting for me. Actually I was hoping to be selected and for that reason I had prepared the presentation attached to this mail!

Now, I am at holiday together with my family after three weeks Harvard Program.
My mobile phone is [+90 506 222 48 19](tel:+905062224819)

If you have any time to call me, it makes so happy. I am always interested to work under UN Umbrella!

Dear Steiner,
Please accept my sincere thanks and regards to you!

Yours faithfully
İsmail BELEN
